The New York State Environmental Protection Fund – It Works!

- ✦ to protect and enhance New York's environmental resources, food supplies and landscapes
- ✦ to fund basic operations of statewide environmental and agricultural agencies
- ✦ to deliver the foundation of Soil and Water Conservation Districts' basic agricultural and soil and water quality projects across the state

The New York State Soil and Water Conservations Districts – We Work!

- ✦ to provide technical assistance to keep New York's farms and communities viable and environmentally sound
- ✦ to match NY investments with local funds for locally-lead projects
- ✦ in all of New York's communities – urban, suburban and rural – responding to conservation assistance, education, natural disaster recovery, and MORE!

Support the Environmental Protection Fund for 2009!

***By doing so, you will support
New York's natural resources and communities
And the important work of
New York Soil and Water Conservation Districts!***

***Thank you,
New York Association of Conservation Districts, Inc.***
