**TO: SWCD Directors and Staff
County Water Quality Coordinating Committee Members
Cooperating Agencies and Organizations**

**FROM: Jeff Carmichael, President, NYSCDEA
Mike Latham, Director, NYSSWCC**

DATE: January 14, 2009

**SUBJECT: 2009 Water Quality Symposium / CDEA Annual Training Session
Holiday Inn, Auburn, NY
March 10 - 13, 2009**

We would like to invite you to the 2009 Water Quality Symposium and CDEA Annual Training Session to be held at the Holiday Inn in Auburn, NY on March 10-13, 2009.

The strong partnership between the State Soil and Water Conservation Committee, the District Employees' Association and the NYS Department of Agriculture and Markets makes this Symposium possible. The teamwork of many individuals makes this conference an excellent opportunity to advance natural resource protection fundamentals across the State.

Education efforts remain a high priority for all parties involved and locating alternative resources for future symposiums is an ongoing process.

Please send a separate registration form with class choices for each person attending and return it with your payment to: **Madison County SWCD** by February 16, 2009. If you have any questions, please contact Steve Lorraine, Madison County Soil and Water Conservation District at (315) 824-9849 or steve-lorraine@verizon.net.
