*Districts will make their own reservations with the hotel by calling 1-518-458-1000.*

More logistical information and position papers will be sent out in January.

Hope to see your District represented! With the State's funding crisis ahead of us for 2010-2011, it is vital that building and maintaining relationships with legislators *and* their staff, will play a positive role in funding for SWCDs and programs.
